

I have accepted the Winter Sports Challenge!

I am raising money for TAASC and have a personal goal to raise _____ for my team. All the money I raise will go directly to TAASC and will provide programming lessons, scholarships and specialized adaptive equipment and allow people with disabilities the opportunity to enjoy recreational activity through-out the year.

The Adaptive Adventure Sports Coalition (TAASC) brings outdoor sports and recreational activities to people of all ages and all disabilities. With your support through the Winter Sports Challenge, over 1,300 participants and family members have the opportunity to snow ski, water ski, kayak, cycle, fish, row and sail.

Please help my team by sponsoring me in my goal. Any amount you can pledge will help me meet my goal. I thank you on behalf of my new friends at TAASC.
